

Black Book AR100

Every year the Black Book invites members of the design and advertising community to submit their best annual report work from the previous year. Then a talented team of judges picks the top 100.

We were thrilled when Black Book invited us to design the 21st annual award show book for this prestigious competition. Our clean design, thoughtful publication layout, and playful imagery combine to deliver an informative and distinctive show catalog, honoring those who win the ribbons.
